

efhco fundraisers exchange 2020

SAVE THE DATE - Registrations are open!

efhco, the European Federation of Healthcare Clown Organizations and **Foundation Theodora** are organizing jointly this year's fundraisers exchange 2020. We would like to welcome you this **June 3 – 5 in Morges (Lake Geneva)** at Foundation Theodora's Swiss Headquarters.

This meeting is an easy way for fundraisers from European healthcare clown organizations to come together, exchanging hands-on information on their best practices and discussing different topics within fundraising for our clown doctor work.

A survey monkey on your desired topics will follow soon.

The Fx2020 is a two day program, starting with dinner on Wednesday evening June 3 and will end on Friday afternoon June 5, 2020 (16.00 h).

Plus, there is for sure an open time slot for you to present an important topic of your choice. A detailed agenda will be send in good advance of our Fx20 meeting.

To participate a contribution of (€150, 00 for **efhco** members and €300, 00 for other organizations is required). This fee includes lunches, one group dinner, meeting catering and materials during the days. It does not include your costs for travel (airport Geneva + direct train to/from Morges), your hotel and your 2nd dinner.

Foundation Theodora is currently working on our accommodation options and we will keep you updated, when the booking slot opens!!

Are you interested in participating in our fundraiser's exchange 2020?

Just register with Ursula Fährer, **efhco** EU office in Brussels: secretariat@efhco.eu

Please sign up before April 1, 2020. Thank you!

We are looking forward you in Switzerland,

Ursula + Miriam
