

Connecting Worlds

Healthcare Clowning International Meeting
20 - 22 April 2022 The Hague | The Netherlands

Due to the uncertainties surrounding COVID-19, the HCIM conference is postponed
to April 20th, 21st and 22nd, 2022.

Connect worlds, connect people and change spaces

It will be interesting for everyone within a **healthcare clowning organisation**, as well as for **healthcare professionals**, or someone working in a field attached to this vital work, and **fundraisers** – we would love them to join us for what will be an important and enriching meeting.

You will be inspired and gain game-changing ideas for doing even more for people in vulnerable situations. By sharing and working together we can increase our **impact in the world.**

Spread the word

Everyone committed to the success of healthcare clowning is welcome!
So please spread the word to as many people as possible for whom HCIM2022 may be of interest.

Preview of the program 2022

All the efforts made so far have led to a **great and well-filled program.** The postponement gives us the opportunity and space to refine the program even more. In mid-January the final program for April 20, 21 and 22, 2022 will be introduced.
