efhco & H-CRIN+ Autumn Research Workshop in Lisbon from 27 – 30 September 2020

You are invited!

[efhco](#), the European Federation of Healthcare Clown Organizations and **H-CRIN+**, the Healthcare-Clowning Research International Network, will organize a research workshop kindly hosted by Operação Nariz Vermelho (ONV) and we would like to welcome you in September in Lisbon, Portugal.

Our Autumn Research Workshop starts on Sunday 27 September at Dinner time and will end on Wednesday 30 September at Lunch time (later that day starts [efhco's](#) Annual Meeting until 02 October 2020). We will meet at the ONV headquarters at Rua 1º de Maio 101, Lisbon.

What to expect?

We propose to **share experiences** among participants, **present case studies – learnings and challenges, regarding research** on healthcare clowning. **Discuss the relevance** of collecting knowledge, share **good practices and strategies to involve your organization** as well as potential partners. Discuss **relevant topics for planning a research study** and have expert supervision of ongoing research.

A detailed agenda & travel guide etc. will be send in good advance of our Lisbon Workshop.

To participate a contribution (**€150,00 for [efhco](#) members and €300,00 for others**) is required. **This fee includes lunch and catering during the days.** It does not include the costs for your hotel, your travel and dinners. **Please sign up before March 15, 2020.**
